

At Pearland High School Theatre, our priority is making sure that we give our students the best theatre education possible, not only in Pearland ISD but across the state of Texas. The students have kept up the rigor and excellence in the classrooms and on the stage through these uncertain few years. We are back and in full swing with our season of shows. I firmly believe there is nothing our students cannot do!

Last year, our students' accomplishments spoke for themselves amid a global pandemic and strict restrictions in and out of the schools. Just a few notable moments include:

- Theatre students produced 10 mainstage performances including our annual Fall Production, two separate Coffee Houses (school wide talent show), Award winning Winter Musical, State UIL One Act Play, and five different Senior Directed One Act Plays (known as SOAPS)
- Technical Theatre students produced 8 shows in collaboration with Pearland Choir, National Honor Societies, Principal Award Ceremonies, African American Culture Club, and many other groups to honor our staff, students, & community.
- Technical Theatre students are participating in the UIL Theatrical Design Competition, creating costume, lighting, marketing, and scenic designs for Frankenstein
- Three student actors were selected as National Qualifiers at the 2021 Texas Thespians Festival for their performance in Solo Musical Performance and Duet Acting. Pearland High School annually sends 20 plus students to compete and 40 plus students to hone their craft at the conference annually
- After being ranked first in Zone, District, and Bi-District Pearland Theatre students advanced to the UIL One Act Play 6A Area with a production of Joy Wilkinson's Sweet Science of Bruising

While we look forward to our winter musical production of Disney's Descendants, we are faced with economic realities created by COVID-19 and inflation that affects many arts organizations during this time of rebuilding. To continue reaching as many students as possible, we have set a sponsorship goal of \$30,000 for the remainder of our season this year. Will you join us in working towards that goal?

Your involvement is paramount to our success. When people like you donate to our program, we can lay foundations for future student achievement as a community. I look forward to hearing from you, and I remain grateful for your investment in our young people.

Based on the popular Disney Channel Original Movies, Disney's *Descendants: The Musical* is a brand-new musical jam-packed with comedy, adventure, Disney characters, and hit songs from the films!

Imprisoned on the Isle of the Lost – home of the most infamous villains who ever lived – the teenaged children of Maleficent, the Evil Queen, Jafar, and Cruella De Vil have never ventured off the island... until now. When the four troublemakers are sent to attend prep school alongside the children of beloved Disney heroes, they have a difficult choice to make: should they follow in their parents' wicked footsteps or learn to be good?

The Pearland Theatre Booster Club is a 501(c)3 non-profit charitable organization.

Please contact David Barker Head Theatre Director, at barkerd@pearlandisd.org if you have any questions or seek further documentation for corporate grant matching programs.
